

Peas and Celery

Printed from Celery Recipes at <http://www.celeryrecipes.org/>

A simple side dish that can be microwaved in just minutes. Get your kids to eat their veggies, or whip up a quick dinner after a long day of work. Crunchy celery and tender peas are microwaved until tender and delicious, and are served swimming in a lemon-pepper and butter sauce. The ingredients may be simple, but the taste is incredible!

Ingredients:

1 c. celery, chopped into small pieces
1/3 c. onion, chopped
2 Tbsp water
2 Tbsp butter
1 (10 oz) package frozen peas
¼ tsp lemon-pepper seasoning

Directions:

1. In medium microwave-safe bowl combine celery, onion, water, and butter.
2. Cover, and microwave on high for 4-5 minutes. Stir in peas, and season with lemon-pepper seasoning. Cover, and microwave 5 minutes longer. Let stand 5 minutes, or until peas are tender. Serve immediately.
