*An easy and delicious appetizer that is a great way to start any appetizer, these stuffed celery sticks feature creamy cream cheese, crunchy walnuts, and crispy, fresh celery. Make the celery as big or small as you want: 1-inch pieces for bite sized snacks or 3-inch stalks stuffed with savory filling for a unique appetizer any time.*

## Ingredients:

1 (8 oz) package cream cheese, softened  
2 Tbsp sour cream  
¼ c. walnuts, chopped, plus 1 Tbsp for garnish  
20 green olives with pimento, minced  
1 bunch celery, leaves removed, cut into 2-inch pieces

## Directions:

1. In a medium bowl combine cream cheese and sour cream. Add ¼ cup of walnuts and olives and mix to combine well.
2. Spread filling into celery pieces, until all celery and filling has been used. Sprinkle with remaining 1 tablespoon of walnuts. Cover, and chill 1 hour. Serve cold.
